

**MONTANA CONSTRUCTION INDUSTRY PREMIUM CREDIT
PROGRAM FOR POLICY YEAR 2023
Eligibility Requirements**

If in business more than one year, enter total wages paid and the corresponding total number of hours worked for each class code (both construction and non-construction) on the application for the third calendar quarter (July, August, September) of 2021. The application lists the class codes assigned to your policy.

If in business less than one year, enter total wages paid and the corresponding total number of hours worked for each class code (both construction and non-construction) on the application using one of the survey periods explained below as it applies to your operation. Enter the survey period on the application where indicated. The application is due thirty days from the ending date of the survey quarter entered on the application. The application lists the class codes assigned to your policy.

- 1. If you did not engage in operations for the complete usual survey period (third calendar quarter), then use the last complete quarter prior to the policy effective date.**
- 2. If there is no complete quarter of operations prior to the policy effective date, then use the first complete quarter after the policy effective date.**

Report wages and hours as follows:

Exclude the "premium portion" of overtime pay and report the "straight time" portion only.

Report wages for covered owner/officers at their selected coverage level.

If hourly records are not maintained for salaried employees, assume each individual worked forty (40) hours a week or 520 hours a quarter.

Montana State Fund may examine your records to verify the information submitted for the survey period.

Eligibility Requirements:

1. Fifty percent (50%) or more of your manual premium during the survey period, 07/01/2021 - 10/01/2021, must be attributable to one or more of the designated construction class codes listed below:
2. An average hourly wage of \$26.77 or more must be paid in the construction class code(s) during the survey period.
