Montana Trucking Association

Qualifying MTA members receive an

8% Group Discount

July 1, 2026 - June 30, 2027

Eligibility Criteria:

- Insured must have a 3-year average loss ratio below 80% and an experience rating modification below 1.40
- MSF underwriting performs an eligibility analysis on participating policies to determine if renewal policies meet eligibility criteria
- Policies not meeting criteria are removed from the group on their renewal date within the contract year
- Enrollment forms for new group members must be received within 90 days of the effective date of the policy
